Vintage Virtues expresses the best qualities of human nature. Artist Kathy Killip uses simple garden scenes to help develop those simple and timeless virtues in ourselves and in our children. With helpful definitions and examples of how to apply the virtues, Vintage Virtues can take a moment in the garden and turn it into a teachable moment for life. Although this book started as a line of figurines, the original thought came from Kathy's desire to show a child what a virtue "looks like" through an experience in their own backyard. We can use the "action words" suggested by the virtues to change this world that so deeply needs peace and character development. Spending time with a child and talking about what they see in the images or hear in the words can bring the reality of the meaning of the timeless qualities in Vintage Virtues®.
