Wish Upon a Christmas Star Darlene Gardner

The odds are about a million to one. But after eleven years, P.I. Maria DiMarco jumps at the possibility that her brother might still be alive. And when she makes a wish on a rare pre-Christmas shooting star, well, it could be a sign. Logan Collier doesn't think so. Not that Maria should put her trust or hope in her ex-love, who long ago left her heart in pieces. Yet here Logan is in Key West, helping Maria chase down leads and, like her, trying and failing to ignore the attraction heating up between them. Even if her search takes her nowhere, Maria isn't giving up. Not on finding her brother or on a second chance with Logan.
