Wycliffe (The Wycliffe Series) (Volume 1) Mr. Sean DeDanaan

Summoned to a house in a sparsely populated area of Pennsylvania for a reading of his aunt's will, a man discovers that he's moved into an entirely new universe and a different time. As he tries to navigate this new realm, he discovers that he is 'known' and that there are those who would kill him. As if that wasn't enough, hot on his heels is his enraged wife. This is a far different London than that existing in the world he left behind. It's a London of carriages, gas lamps, royalty and slums - a world he must navigate with the aid of a ruthlessly ambitious duchess.
