A Soldier-like Way: The Material Culture of the British Infantry Ryan R. Gale

Ryan Gale's "A Soldier-Like Way" is certainly one of the most exciting books covering military material culture to appear in decades. Focusing on the actual objects used by the British Army during the 3d quarter of the 18th century, Gale covers everything from the tiniest personal items to the weapons carried by soldier and officer alike. Unlike anything yet published, Gale avoids the droning repetition of tired secondary-source documentation and lets the 18th century speak for itself. The words penned by these warriors in their letters, journals, manuals and official papers are artfully organized and interwoven with images of original objects, archaeologically recovered relics and period images - all of which are presented in full-color and glorious quality. As if the above wasn't enough, within these covers one will find the complete set of David Morier's infantry Grenadiers, appearing in a full-color large format for the first time. "A Soldier-Like Way" is a must for the reenactor, collector, military historian and museum professional alike and Gale is to be heartily congratulated for this most important contribution to the field of 18th century military studies. 1433

From reader reviews:

Maureen Perdue:

The book A Soldier-like Way: The Material Culture of the British Infantry make one feel enjoy for your spare time. You should use to make your capable a lot more increase. Book can to be your best friend when you getting stress or having big problem with your subject. If you can make examining a book A Soldier-like Way: The Material Culture of the British Infantry to become your habit, you can get more advantages, like add your own personal capable, increase your knowledge about many or all subjects. You could know everything if you like wide open and read a book A Soldier-like Way: The Material Culture of the British Infantry. Kinds of book are a lot of. It means that, science book or encyclopedia or others. So , how do you think about this guide?

Sandra Conaway:

The particular book A Soldier-like Way: The Material Culture of the British Infantry has a lot of knowledge on it. So when you make sure to read this book you can get a lot of gain. The book was written by the very famous author. The writer makes some research previous to write this book. This particular book very easy to read you may get the point easily after reading this article book.

Andrew Murphy:

This A Soldier-like Way: The Material Culture of the British Infantry is great e-book for you because the content that is full of information for you who all always deal with world and have to make decision every minute. That book reveal it facts accurately using great coordinate word or we can say no rambling sentences within it. So if you are read that hurriedly you can have whole facts in it. Doesn't mean it only provides you with straight forward sentences but tough core information with wonderful delivering sentences. Having A Soldier-like Way: The Material Culture of the British Infantry in your hand like getting the world in your arm, info in it is not ridiculous one. We can say that no publication that offer you world in ten or fifteen second right but this book already do that. So , it is good reading book. Hi Mr. and Mrs. hectic do you still doubt which?

Cheri Tow:

As a scholar exactly feel bored to be able to reading. If their teacher questioned them to go to the library as well as to make summary for some reserve, they are complained. Just tiny students that has reading's heart and soul or real their passion. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that studying is not important, boring and also can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this A Soldier-like Way: The Material Culture of the British Infantry can make you truly feel more interested to read.
