"Let me show you what I see . . . I see the dead."

I'm just an ordinary person . . . except that I can see the dead. They almost always communicate with me. I'm a Spiritualist . . . not by choice . . . but because of circumstances. I have seen the afterlife. And it does exist. It is real. And we don't die: *We live forever.*

Questions Include:

Do ghosts only haunt old houses?

Do spirits smell like old socks or rotten eggs?

Do people really get slimed like in horror movies?

Can ghosts see us having sex?

Answers to these and other questions include details of "hauntings" I have experienced (as well as the hauntings of others I have known) and also offer insights into the meaning of life, why we're really here, and more.

In this ebook, I attempt to answer some questions about the afterlife, using my experiences and those of others I have known. This is my first attempt at writing about my experiences. If readers enjoy my ebook and find it enlightening, I hope to write others -- and go more in depth into experiences and ideas presented in this first ebook. I have lots more to tell about my experiences with the dead and the afterlife . . . Thank you for your interest.
