"(I'm Fine) And My House Grows at Night" Claudia Dow-Flores

This heartwarming book tells the story of a single mom "Empty Nester" and her journey through loss, grief, and ultimately healing. It makes a perfect gift for parents who are getting ready to send their last (or first) child to college. It is also a great tool for those who are facing "Empty Nest Syndrome" for the first time or for those who are not aware of it and are experiencing feelings of sadness and loss as their children leave home. It is a splendid present for children going off to college, helping them gain awareness of what their parents might go through once they are away.
