Nada se acaba (Life Before Man) (Spanish Edition) Margaret Atwood

Una espléndida novela inédita en castellano de Margaret Atwood, candidata al Premio Nobel.

Margaret Atwood elabora una trama a tres con total dominio del retrato psicológico de sus personajes, como si se trataran de cuerpos celestes que vagan en el espacio, a punto del colapso, del choque o, por el contrario, de una armoniosa gravitación.

El matrimonio de Elizabeth y Nate hace tiempo que no funciona, pero, por el bien de sus dos hijas, deciden llegar a un acuerdo: ambos seguirán viviendo bajo el mismo techo pero podrán salir con otras personas. En estas circunstancias, Nate inicia una relación con Lesje, una paleontóloga más apasionada por los dinosaurios que por los hombres de carne y hueso.

Mientras Elizabeth se enfrenta al suicidio de su último amante, poco a poco, Lesje cambiará las vidas que conocían para siempre; se convertirá en la causa del cambio y la evolución, hasta el punto de encontrar su lugar en el mundo quedándose embarazada y pasando a formar parte de la cadena de la vida.

La pasión acaba siendo la única forma de trascender, de dar sentido a la carne y los huesos que, inevitablemente, se convertirán en fósiles que alguien estudiará en un lejano futuro.

ENGLISH DESCRIPTION

Imprisoned by walls of their own construction, here are three people, each in midlife, in midcrisis, forced to make choices--after the rules have changed. Elizabeth, with her controlled sensuality, her suppressed rage, is married to the wrong man. She has just lost her latest lover to suicide. Nate, her gentle, indecisive husband, is planning to leave her for Lesje, a perennial innocent who prefers dinosaurs to men. Hanging over them all is the ghost of Elizabeth's dead lover...and the dizzying threat of three lives careening inevitably toward the same climax.
