**She's making a wish list, and he wants to be on top.**

From foster kid to trophy wife, Tessa McAllen is about to reinvent herself all over again—and defy every insult her cheating ex-husband ever used against her: Selfish? She's championing a charity. Stupid? She's getting her degree.

*Boring in bed?*

Kade Vandergriff can help her with that one. When they encounter each other at a singles event held at one of his restaurants, Tessa blurts out that kink is for girls who try too hard, and Kade instantly wants to show this sassy stranger how thrilling a night under his command can be...but when he learns her name, the game changes for both of them.

In high school, Tessa was the popular girl who stuttering, awkward Kade fell for. But she chose another. Now, as she eagerly learns lesson after lesson, he's going to make sure she never forgets him again.
