Neither Ballots nor Bullets: Women Abolitionists and the Civil War (A Nation Divided) Wendy Hamand Venet

This account of women's abolitionist activity during the Civil War offers new evidence of the extent of women's political activism and insightfully reveals the historical significance of this activism. Through the Woman's National Loyal League, women were introduced into the political sphere from which they had previously been barred. The work of women such as Elizabeth Cady Stanton and Susan B. Anthony opened new avenues for feminist activism after the war.

In her analysis Wendy Hamand Venet examines how the rift in the league influenced the feminist movement positively by impelling its leaders to distinguish their cause from other political concerns and place it in the spotlight.
