Ramblings From One Mother to Another: Encouraging devotionals to help you survive those tough mommy days. Nikki Dyson

The devotionals in this book have been written for moms with young kids as an encouragement for those tough days every mom has. I was a part of a group called MOPS (Mothers of Preschoolers) in my community for many years. This book is filled with devotionals I wrote during the time I put together our group's monthly newsletter. I recently graduated the group when my daughter began first grade, but I am still privileged enough to continue writing devotionals for their monthly newsletter. I am by no means an expert in the "mommy field" and these are not professional writings. The devotionals in this book are just my thoughts and feelings as I journey down this adventurous road as a mom of young kids.
