## **Split Decision (The Hybrid Series) (Volume 1)** Andrew Harding

Andrew Harding delivers a seductive and compelling tale in his novel *The Hybrid Series: Split Decision*. After what appears to be an innocent meeting with Harvey Burgess, Alison Grey (Alli) is awoken to her own existence and the reality that awaits her. While aiding Harvey in his own detective work, her own psychic skills are brought to the fore, as they hunt for a deranged serial killer. The brutality of the murders display a merciless mind of the man at large, and one who will stop at nothing to relinquish the memories of a disturbed childhood that has ensured his quest for depravity. This book contains descriptions of scenes of an explicit sexual nature which are suitable for adults only. The contents are not suitable for readers under the age of eighteen years of age. Travelling the world and hunting out antiques has given Andrew Harding a broad insight into the unraveling of the human mind. His fascination with the paranormal, supernatural and also crime has inspired him to cross boundaries and write this series of books. The people who have crossed his path have covered such a broad spectrum that he's realized that anything is possible, and that there are no barriers to the depravity that could be hidden beneath the surface.
