Valentino Suzy Menkes, Matt Tyrnauer

The glamorous life and work of Valentino Garavani. Unlimited popular edition.

Think Valentino: think luxury. Think elegance. Think red carpet. Fashion's most beloved upholder of refined decadence and the most exciting couturier in business is known around the globe simply by his first name. Only a few years after opening his fashion house in Rome in 1959, Valentino was already at the height of success, counting Elizabeth Taylor, Jackie Kennedy, and Audrey Hepburn among his devotees. Over forty years later, not much has changed he's still dressing the top celebrities, from Gwyneth Paltrow to J.Lo, though now his business is a major economic force in Italy and his fashion house is among the most famous in the world. Valentino has always designed clothes for glamorous and sophisticated women, never wavering from his signature style even when grunge, deconstruction, and other passing fads were all the rage. Though his couture division almost never makes a profit (his ready-to-wear lines are what fuel the business), his heart is most solidly devoted to the magnificent haute couture gowns that earned him his reputation as fashion's most talented dressmaker.

This publication renders homage to Valentino's illustrious career via a copious selection of images from his archives, including drawings, magazine shoots, advertisements, portraits of Valentino, and documentary photographs; presented chronologically, the visual material is accompanied by a vast array of newspaper and magazine articles about Valentino throughout the years. Text also includes Vanity Fair writer Matt Tyrnauer's interviews with twenty of Valentino's closest collaborators and friends as well as an appreciation of Valentino by International Herald Tribune's fashion writer Suzy Menkes. All of these elements add up to an in-depth look at the man, his lifestyle, and his genius a book more comprehensive and stunning than one could hardly dare to dream of.

This unlimited popular edition is for readers on a budget or who were unable to get their hands on the original limited Collector's and Art Edition.
