Against Autonomy

Sarah Conly

Against Autonomy Sarah Conly

Since Mill's seminal work *On Liberty*, philosophers and political theorists have accepted that we should respect the decisions of individual agents when those decisions affect no one other than themselves. Indeed, to respect autonomy is often understood to be the chief way to bear witness to the intrinsic value of persons. In this book, Sarah Conly rejects the idea of autonomy as inviolable. Drawing on sources from behavioural economics and social psychology, she argues that we are so often irrational in making our decisions that our autonomous choices often undercut the achievement of our own goals. Thus in many cases it would advance our goals more effectively if government were to prevent us from acting in accordance with our decisions. Her argument challenges widely held views of moral agency, democratic values and the public/private distinction, and will interest readers in ethics, political philosophy, political theory and philosophy of law.

From reader reviews:

Daniel Trimble:

Book is actually written, printed, or illustrated for everything. You can realize everything you want by a e-book. Book has a different type. To be sure that book is important factor to bring us around the world. Adjacent to that you can your reading ability was fluently. A book Against Autonomy will make you to be smarter. You can feel much more confidence if you can know about every little thing. But some of you think this open or reading a new book make you bored. It is not necessarily make you fun. Why they may be thought like that? Have you looking for best book or acceptable book with you?

Brandon Francis:

What do you concerning book? It is not important along with you? Or just adding material when you require something to explain what your own problem? How about your time? Or are you busy person? If you don't have spare time to complete others business, it is make you feel bored faster. And you have spare time? What did you do? Every individual has many questions above. The doctor has to answer that question simply because just their can do in which. It said that about reserve. Book is familiar in each person. Yes, it is proper. Because start from on jardín de infancia until university need this specific Against Autonomy to read.

Richard Strohm:

Don't be worry when you are afraid that this book can filled the space in your house, you could have it in e-book approach, more simple and reachable. This Against Autonomy can give you a lot of close friends because by you looking at this one book you have thing that they don't and make a person more like an interesting person. That book can be one of a step for you to get success. This publication offer you information that possibly your friend doesn't learn, by knowing more than some other make you to be great persons. So , why hesitate? Let me have Against Autonomy.

Ronald Meyers:

As a college student exactly feel bored for you to reading. If their teacher requested them to go to the library as well as to make summary for some guide, they are complained. Just very little students that has reading's heart and soul or real their passion. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that studying is not important, boring as well as can't see colorful images on there. Yeah, it is being complicated. Book is very important for you. As we know that on this time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this Against Autonomy can make you feel more interested to read.
