Bear--Baiting & Trapping Black Bear

Richard E. Faler

Bear--Baiting & Trapping Black Bear Richard E. Faler

The black bear, truly, is the trapper's big game. From both firsthand experience, and interviews and field work with a number of Maine bear trappers, the author has put together the only solid information on this fascinating and challenging sport. Unique to Maine as a sport, the techniques outlined in this 86-page book are the same as those used in many states and provinces by nuisance control workers and biologists trapping and releasing live bear for studies. Just as the how-to-do trapping methods will give most first-time bear trappers a very high success rate, the baiting techniques have great value to those that use a rifle, handgun or bow and arrow to tag their bruin.

"BEAR--Baiting & Trapping Black Bear" is a rare book on a unique pursuit.

Find the flavor and heritage of the Maine woods. Order your copy now!
