Ancient Rome: a time when so many men laid with other men; it was common. A beautiful man was desired the same as beautiful women, if not more. And there were so many willing and ready men to choose from...

...especially for Caligula Caesar, the emperor of Rome, and the most powerful man in the world.

All THREE parts of "**Caligula's Men**":

## **Part 1 of Caligula's Men, Gay Historical Series**

Marcus found himself chained, naked, to a group of other naked men. How did he end up a slave, being dragged along by Roman soldiers?

He soon found out that the slaves were meant for mighty and horny Caligula Caesar's private pleasure rooms. But he was too *inexperienced* for that kind of work!

With a little help from his new friend Titus, Marcus tried hard to please the senator who watched the men perform. Does he have what it takes? Has Marcus connected enough with Titus enough for physical love so soon?

## **Part 2 of Caligula's Men, Gay Historical Series**

Marcus and the other men finally arrive at Caligula's palace. Before they could please the most powerful and important people in Rome, they need to be taught.

To Marcus's horror, his friend Titus has been chosen as the men's disciplinarian, with the power to whip and punish any of the men, including Marcus.

Marcus has not been catching on with the techniques required to join Caligula's personal man-servants. He knows it's only a matter of time before his friend needs to spank him, literally, into submission and be put in his place.

## Part 3 of Caligula's Men, Gay Historical Series

Finally, after days of training and experimenting with the other men, Marcus is experienced enough to see Caligula Caesar himself.

Nervous, Marcus makes his way into Caligula's private room. Fortunately, Caligula likes what he sees. Unfortunately for Marcus, Caligula is a man of bizarre interests and **fetishes**, including some that will leave Marcus in severe **pain**, wishing he was back at home in the countryside.

But Marcus has some fun along the way, especially when Caligula orders a large group of men and women to perform love on each other while the rich people and senators ate and watched, and sometimes joined.

It was a very exciting time to be alive for a beautiful young man in **Ancient Rome**.
