China Red: A Caleb Frost Novel Ralph Sanborn

Heroin, called "China Red" on the street, is being smuggled into the United States. Zhou Jing-who fancies himself a fifteenth-century Chinese warlord, is using Muslim Uighers in western China to produce the heroin. In exchange, Zhou arms, trains, and provides security from the Chinese government for the Uighers. Caleb Frost is a professional assassin in a deep cover, black operations team that specializes in wet work. His team includes two ex-Navy SEALs and a Greek beauty and former New York City escort. Funded by the US government, the team operates autonomously in total secrecy. China hires Caleb's team to destroy, with prejudice, the smuggling operation in the US. Zhou's partner is a brilliant, psychopathic killer-a Harvard Business School graduate named Wrath. He founded the Visigoths MC, a hard riding, vicious motorcycle gang which protects, delivers, and collects payment for the heroin shipments. When matters become personal and Caleb's sister Rebecca is kidnapped, the team's task gets messier. It becomes more than an "assassination engagement" for Caleb-it becomes a bloodthirsty vendetta. "This tornado of a thriller drags the reader into a world of guns, bombs, swords and death and won't let go" -Rob Swigart, Author of The Delphi Agenda "China Red plunges the reader into a world of evil intrigue and high adventure. You won't be able to put it down" -Antoinette May, author of The Sacred Well, Pilate's Wife, and Haunted Houses of California
