### Pin-Up Art of Archie Dickens Vol 2

The spry and devilishly creative pin-up elder-statesman Archie Dickens is back with a new compendium of cuties to delight an appreciative public. A contemporary of such artistic greats as Elvgren and Vargas, Mr. Dickens was still kicking into the new millenium, still making naughty portraits of young ladies in various states of undress - all with a sly smile and an innocent demeanor. Each illustration features a delightful damsel doing something perfectly ordinary, but in such an extraordinary way! Dickens makes these girls shine! A real must-have for pin-up fans, and those who look fondly at the vintage age eye candy!
