The Painful Side of Leadership: Moving Forward Even When It Hurts Jeff Iorg

Christian leadership is often likened to the peaceful image of a shepherd leading his sheep. But the truth is that sheep tend to wander toward trouble, and shepherds don't always handle the challenges of their job with grace and ease.

The Painful Side of Leadership encourages and equips Christian leaders with biblical insights to better manage painful ministry circumstances, relationships, and choices. Author and seminary president Jeff Iorg writes candidly throughout to those who may feel beaten up by their mistakes, their critics, or having to make unpopular decisions. His insights are framed with chapters about why painful things happen to Christian leaders in the first place and the hope that God always provides when a leader is hurting.
