This book comes with a warning: SATIRE/PARODY! THIS IS NOT A WALDO BOOK. A light-hearted journey into a Waldo-like world of color in which your goal is to locate the often ridiculed Vice President during George Herbert Walker Bush's first term. In addition to finding Dan Quayle, your kids will be entertained for hours finding other comic figures found on these pages; for example, find a Congressman wearing a party hat, a fugitive snowman, a pigeon on a assignment and a CNN Reporter. Great for long drives!
