Bought and Soldier: What's so Civil about a War between Brothers? Brad L. Smith

Spring . . . and a young man's fancy turns to love. Spring 1861 . . . and a young nation's troubles turn into war.

Two brothers, Manfred and Billy Hocker, have fought a sibling Civil War their whole lives. When Manfred, the oldest, inherits the family farm and is called up in the nation's first draft, he pays 16-year-old Billy \$300 to take his place. He promises, "You could marry your girlfriend Belinda when you return . . . and when you return, we can discuss your fair share of the farm." He is banking that his brother won't return!

On Billy's side is his tent mate, old Doc Kessler—who gets his name from a peculiar penchant for treating enemy wounded. Doc has been in the war for two years under General Sherman. He's seen, heard, and done it all—and has the scars and secrets to show for it. He imparts his wisdom to his young protégé . . . even if Billy may not want it.

Whether they are assaulting Reb positions, spotting for the artillery, bumming for food, or playing practical jokes on witless officers, the team of "Hockessler" touches lives—and the hearts of readers—like none other. Their story is the stuff legends are made of, because these stories actually happened!
