Fractured Darkness (The Age of Alandria Book 3) Morgan Wylie

The darkness in Elnye is growing.

There is screaming in Exhile.

The mysterious woman, known only as “She”, is in a rage. Her pawn, Maleina has made a dangerous move and severed her communications with the dark mistress. Now as dueling dark forces, master and willing initiate, they begin to jockey for power as the stage is set for the coming war.

Kaeleigh and her small band of loyal companions have escaped the dungeons of Elnye and found their way to the secret home of the Ehsimia. After breaking the vicious bond that enslaved Daegan to Maleina’s will, the walls between Kaeleigh and her Ferrishyn warrior begin to fall, as their feelings for each other begin to give way to passion.

The darkness is fractured, but its relentless quest for power goes unabated. A war is coming. However, the power of the Sol-lumieth has finally come together and found its light. A blinding light of freedom, that may be the salvation for all of Alandria.
