## **Runner, A Jane Whitefield Novel** Thomas Perry

Jane Whitefield—New York Times best-selling writer Thomas Perry’s most popular character—returns from retirement to the world of the runner, guiding fugitives out of danger.

After a nine-year absence, the fiercely resourceful Native American guide Jane Whitefield is back, in the latest superb thriller by award-winning author Thomas Perry.

For more than a decade, Jane pursued her unusual profession: “I’m a guide . . . I show people how to go from places where somebody is trying to kill them to other places where nobody is.” Then she promised her husband she would never work again, and settled in to live a happy, quiet life as Jane McKinnon, the wife of a surgeon in Amherst, New York. But when a bomb goes off in the middle of a hospital fundraiser, Jane finds herself face to face with the cause of the explosion: a young pregnant girl who has been tracked across the country by a team of hired hunters. That night, regardless of what she wants or the vow she’s made to her husband, Jane must come back to transform one more victim into a runner. And her quest for safety sets in motion a mission that will be a rescue operation—or a chance for revenge.

Runner is Thomas Perry at the top of his form.
