## SEO Gold: Tricks & Tips on How to Rank High in Google in 2014 (Special Bonus: Includes SEO Secrets from an Underground Whale) Von Money

The Secrets Behind Ranking High in 2014 Find out the free little links that can push you higher and: \* Why some EMDs rank and others don't \* Why an EMD is still huge for SEO \* How the big boys get their links \* A list of free links that still work like a charm No BS. No recycled garbage. No Google kiss ass. Just the truth about ranking in Google in 2014. All for just \$5.99 - you can't beat that price! The Story For the last 3 months (after SEO Leo was published), I've continued to test and experiment with Google's search engine and this book reveals what I've found works and what doesn't. Two weeks before I published this book, I crossed paths with a Whale (his ranks at the top for huge money keywords) and during a clandestine meeting, he showed his biggest SEO secrets. This guy ranks for hugely competitive lawyer keywords as well as other big niches. As a completely unexpected special bonus, in SEO Gold, I reveal everything he told me. This book is jammed pack with the most important SEO information from start to finish. No how to install wordpress and how to register a domain 1-2-3 bullshit taking up half the book. Every last word in SEO Gold means something. If you're serious about ranking websites, buy this book and your websites will rank higher. I have been experimenting with Google SEO for months and I completely spill the milk on my conclusions from 20 different test websites. Nothing is held back. Looking for increased social power? Me too. Read inside to find out my idea to shortcut the social benefits to SEO. There's one more highly interactive element to this book at the very end. For those who like to experiment with SEO like me, you'll love this opportunity. I've read all the top rated SEO books on Amazon, SEO Gold absolutely destroys them with real, practical info that works. For \$5.99, this book is a steal. I DO NOT go by what Google or Matt Cutts says, I go by what the SERPS say. About this purchase SEO Gold is a 100% guaranteed purchase. If you aren't thrilled with SEO Gold, you have 7 days to return this book for a complete refund. No BS. \*\*No Kindle Necessary\*\* If you do not have a Kindle, you can read this ebook on your computer for free in 2 minutes. 1) Download FREE Kindle App here: <http://www.amazon.com/gp/feature.html?docId=1000493771> 2) Login to Amazon. 3) Go to "Your Account" 4) "View Your Kindle Orders" 5) Go to the right side of the page and click "Actions" 6) Click "Read Now" There is no excuse not to get this book. If you're still not sold, look at the reviews for Von Money's last SEO book, SEO Leo. 9/9 5 star reviews. This book is an absolute steal at \$5.99. I can get your website moving up within a week. No other Amazon SEO books have this information. They have general information that doesn't explain why certain websites rank in the top 5 for seemingly every related keyword. To really increase your website's rank, you need to know something your competition doesn't. SEO Gold gives you this edge. No Warrior Forum SEO books have this information (and they'll charge you a lot more). You know how important good Google ranking is... You shouldn't just want to read this book. You should demand to read it. This is important stuff that can change your bottomline! Why Buy \* Great Author with a track record \* Based on real world, hands on research \* Bonus "Whale" section on how the monsters rank \* Advanced strategies and tricks From Von Money: "Buy this book. Trust me. You need to buy this book. You will not be disappointed. You will be floored." PS I pride myself on amazing content. If you scroll up above, click "Buy Now with 1-Click" and don't like this book, there's something wrong with you. PPS I guarantee your competitors don't want you to know these seo
