The Black Winter Antony J Woodward

Jimmy Cooper is the outsider and he holds a very dark secret. Moving to Newtown is supposed to be a fresh start, a chance to leave the haunting memories of his past behind. Ivy Graham is the daughter of a farmer, who knows nothing more than the land she works. Regarded as a simpleton she struggles to find her identity in the world. A confusion only exacerbated by her father and his alcoholism. Mary Jane is the wannabe aristocrat who dreams of the big cities and a life of more, but is held back by her parents. Her heart is pursued by a cold and emotionless man who becomes as suffocating as her parents. Three souls who will intertwine and irreversibly impact upon each other during their lifetimes. As War brings injustice and secrets begin to threaten their friendships, unspoken love blossoms and hate waits silently for its moment to strike.
