The Color of the Soul Tracey Bateman

The story of an old woman's need for forgiveness, a young man's drive to succeed, and the history that links them both will keep listeners enthralled from beginning to end.

A Pandora's box opens when reporter Andy Carmichael, too light skinned for acceptance by blacks and too dark skinned for acceptance by whites, is sent to Georgia to interview Miss Penbrook, an icon of Southern literature. From her deathbed, the mysterious Miss Penbrook gives Andy journals that reveal a surprising twist - her story and his own meld into one.
