A Bedroom of Searchlights

Joanna M. Weston

A Bedroom of Searchlights Joanna M. Weston

Poetry. Women's Studies. The poems in this collection explore the life of the poet's mother who divorced in 1939, at a time when a woman divorcing was still frowned upon by society. This collection draws a picture of the artist and single mother who struggled with poverty, war, and the realities of daily life, yet still found beauty and comfort in her garden, and her art.
