## **A Modest Proposal** Jonathan Swift

Jonathan Swift was born in Dublin in 1667. *A Modest Proposal for Preventing the Children of Poor People From Being a Burthen to Their Parents or Country, and for Making Them Beneficial to the Publick*, commonly referred to as *A Modest Proposal*, is a Juvenalian satirical essay written and published anonymously by Jonathan Swift in 1729. The book is known for its straight-faced satire; Swift suggests that the impoverished Irish might ease their economic troubles by selling their children as food for rich gentlemen and ladies. Swift goes to great lengths to support his argument, including a list of possible preparation styles for the children, and calculations showing the financial benefits of his suggestion.
