Accounting Principles, 12th Edition by Weygandt, Kimmel, and Kieso provides students with a clear introduction to fundamental accounting concepts. The Twelfth Edition helps students get the most out of their accounting course by making practice simple. Newly streamlined learning objectives help students use their study time efficiently by creating a clear connections between the reading and video content, and the practice, homework, and assessments questions. *Accounting Principles* is a best-selling program ideal for a two-semester Principles of Accounting sequence where students spend the majority of the time learning financial accounting concepts, and are introduced to the basic concepts of managerial accounting at the end of the sequence. With *Accounting Principles* students learn the accounting cycle from a sole proprietor perspective.
