Their passion burns white hot. But danger is heartless and cold.

Hot Desert Heroes, Book 1

Delaney Murphy has had a stomach-fluttering, mouth-watering crush on Beck since the first time she saw him over the rim of her regular morning latte. But she's never been long on self-confidence, especially around exceptionally handsome men.

After a year of avoiding him, she's shocked when he slides into the next chair and wears down her resistance to a first date.

When Laney is laid off from her job, Marines special ops veteran Beck "Gravedigger" Townsend wastes no time hiring the quiet, auburn-haired beauty into Red Eagle Group, his security firm. Keeping her within touching distance—and under his protection.

Laney's smile and sharp intelligence light up Beck's life and heat up his bed, yet he hesitates to give her what she really wants: full access to the darkest corners of his wounded spirit. But when danger is delivered right to Red Eagle's door, the only way to save her—and their love—will be to bleed. Body and soul...

Warning: Adult language and graphic sex scenes between a man locked behind his secrets, and a woman ready to break free of her past. If you think the desert is hot, you ain't seen nothin' yet.
