## Oxford Dictionary of Phrase, Saying, & Quotation

Fully revised and updated, the third edition of the *Oxford Dictionary of Phrase, Saying & Quotation* adds proverbs and sayings from across the world to memorable phrases and quotations from across the centuries. This rich collection is arranged under a wide range of subjects--from *Ability* to *Youth*--making it an ideal place to look for an apt or pithy expression, or to explore the background of an extensive selection of related sayings and phrases. With 10% new material, in a new attractive page layout, the third edition includes many new quotations by a wide range of US authors, such as George W. Bush, Bill Gates, Georgia O'Keefe, Dolly Parton, Dan Rather, and Serena Williams.

This new edition of an Oxford classic traces the links between treasured sayings in our language, and explains their varied origins. Oxford's unique language research has identified proverbs from non-Western languages newly adopted into English, and these are featured joining an abundance of well-chosen words from Biblical times to the present day. A full keyword index and generous cross-referencing allow the *Oxford Dictionary of Phrase, Saying & Quotation* to function both as a look-up resource and a browser's delight.
