From [www.nsd.org](http://www.nsd.org): "Go beyond sit-and-get workshops in your professional development efforts. Written by educators who have successfully done this work, each chapter describes how one of the 21 significant learning strategies works in practice, a rationale for its use, the steps involved in introducing and using the strategy, and a list of resources for more information. Among the 21 strategies are action research, lesson study, data analysis, study groups, walk-throughs, peer coaching, curriculum design, and tuning protocols. Includes a CD-ROM with more than 150 handouts in PDF format can be converted into transparencies, imported into PowerPoint presentations, or copied for other uses."
