They say you can learn a lot about a person on a road trip...

Tia, a **smart and sassy high school history teacher on summer break**, is on a mission – bring Nana Walker some medicinal marijuana hemp oil from Colorado. She hires someone to make the trip to Cleveland with her, but from the moment they meet, sparks fly.

Rocky is a hot medicinal marijuana smuggler who is rough around the edges. He skirts the law to help people across the country. With a full waiting list of clients, he only agrees to help Tia as a favor to her cousin. Once he's on the road with her, all hell breaks loose around them.

From a medical emergency in Chicago to a wide cast of crazy characters who keep popping up, Road Trippin' will have you unable to stop turning pages. Rocky's career and lifestyle choices catch up to him in the end. The question is whether or not Tia will be able to accept him mind, body, and soul.

Can these two last from Colorado to Cleveland in a shiny black 1972 Mustang Fastback? Look inside to find out more and read a sample!
