Seeing through the Fog: Hope When Your World Falls Apart Ed Dobson

An exploration of identity and faith, *Seeing Through the Fog* invites readers to a vibrant life, an expectant life, a life of joy in each new morning.

Pastor Ed Dobson has spent his life preaching sermons, but this book is not a sermon. He has spent more than ten years with a debilitating illness, but this book is not about grief. He has found joy in the midst of sorrow, but this book is not about looking on the bright side.

Seeing Through the Fog is about living well when you realize you can't live forever. It is about having gratitude for each sunrise, birthday, and moment of knowing God more. It is about holding hope when circumstances hold pain.

With stories, wisdom and unique content distinct from the popular film series about Ed, *Seeing Through the Fog* will encourage readers in their own difficulties and give them hope for their future.
