The Cat That God Sent Jim Kraus

Jake Wilkerson, a disillusioned young pastor who is an expert at hiding his fears, takes on a new assignment at a small rural church in Coudersport, Pennsylvania--which is a far piece from anywhere and full of curiously odd and eccentric people. His first day on the job, he is adopted by Petey--a cat of unknown origins and breed--but a very sentient cat who believes that he is on a mission from God to redeem Jake and bring him back to the truth. Jake must confront his doubts early on when he meets Emma Grainger, a single woman and a veterinarian who dismisses all Christians as "those people." Then, Tassy, a young runaway with a secret, arrives at the door of the church looking for a place of refuge. How does Jake deal with this runaway and his interest in Dr. Grainger? More importantly, can Jake rekindle his faith? Petey does his best to lead all people to the truth, in a most subtle and feline way.
