Framing Roofs Editors of Fine Homebuilding

This essential reference for pros and passionate amateurs is back with a fresh design and updated content. Written by respected builders from all over America, this extensive revision collects all the latest roof framing articles from the pages of *Fine Homebuilding* magazine -- from cutting rafters and framing roof valleys to building dormers and working with roof trusses. The contributors offer hardearned, job-tested advice on an impressive variety of tools, techniques, and trade secrets.

Framing Roofs shows how to work with speed and precision, and, since working on a roof is often a complicated and dangerous task, safety is always at the forefront.
