Phoenix and Sadie are suddenly living in an America that is no longer a nation. Rebel troops and corrupt government have goals of building a New World. They must exterminate the old America and those who lived in it before they can rebuild.

Cities are nothing but ghost towns as Americans have either been taken prisoner, gruesomely killed or are in hiding.

Surviving Americans are banning together and fighting to take back their country – but rebel troops are not the only enemy.

Vyco has commanded his demons to no longer lurk in the darkness but to fight against Phoenix and take her captive, killing anyone who interferes.

With the assistance of her Dark Angel, Jayden, and his sister, Chastity, Phoenix and her tight-knit group of friends combat the Darkness.

Who will save the world from complete annihilation?

Brian – Sadie – Jayden – Phoenix – John – Chastity

Or will their brave attempt fail?
