## **FREEDOM and RIGHTS.....Ring a Bell**

From our first HISTORY lesson, we are taught that this country was founded so that we might ESCAPE unjust actions aimed towards us.....such as TAXATION WITHOUT REPRESENTATION.....or the WEALTHY CONTROL IT ALL. How many times have you heard..."Money Talks...Bullshit Walks". Why? How in the hell did this country end up in the condition it's in? It seems as if we have come around in full circle, putting us back from where we started. Finding answers as to why things are as they are should NOT be that hard. Unless those you ask...have something to HIDE. Then again.....if you don't ask.....you will NEVER know. So....I'm asking. For instance....what was the name of this country, BEFORE our ancestors "Politely" took it from the Indians, and made it "OURS"? If the Indians only knew THEN...what they know NOW.....do you really think they would have let us off the boat? I think NOT.
