The Stormriders Donna Ball

From award- winning author REBECCA FLANDERS (now writing as Donna Ball).....

A tale of passion, adventure and triumph as only she can tell it!

Meg Forrest is a brilliant engineer: competent, controlled, and completely in charge ... until, that is, she meets and impulsively marries reckless Alaskan bush pilot Red Worthington. Their love affair is as brilliant, and as ephemeral, as the Northern Lights, and as turbulent as the spring storms that sweep so unpredictably across the tundra. They are thunder and lightning together, and too ready to call it quits when the going gets tough. But when a sudden blizzard traps them together with the lives of an entire community of misfits depending upon them, they realize that they will always be better together than they could ever be apart, and that they must work together to save themselves, the people they care about, and their love...

From reader reviews:

Leon Santiago:

What do you consider book? It is just for students as they are still students or the item for all people in the world, what the best subject for that? Just you can be answered for that concern above. Every person has distinct personality and hobby per other. Don't to be obligated someone or something that they don't need do that. You must know how great and important the book The Stormriders. All type of book are you able to see on many solutions. You can look for the internet options or other social media.

Guadalupe Baum:

Book is to be different for each and every grade. Book for children until adult are different content. As it is known to us that book is very important for all of us. The book The Stormriders seemed to be making you to know about other understanding and of course you can take more information. It is very advantages for you. The publication The Stormriders is not only giving you considerably more new information but also being your friend when you experience bored. You can spend your spend time to read your book. Try to make relationship while using book The Stormriders. You never experience lose out for everything if you read some books.

Joni Thompson:

Information is provisions for people to get better life, information currently can get by anyone with everywhere. The information can be a knowledge or any news even a problem. What people must be consider any time those information which is from the former life are challenging to be find than now is taking seriously which one works to believe or which one often the resource are convinced. If you obtain the unstable resource then you obtain it as your main information it will have huge disadvantage for you. All those possibilities will not happen in you if you take The Stormriders as the daily resource information.

Elizabeth Ramsey:
