Who We Are!: All About Being the Same and Being Different (Let's Talk about You and Me) Robie H. Harris

***New York Times* best-selling author Robie H. Harris helps preschoolers understand what makes us who we are — from our height to our hair, from the shade of our skin to our eyesight.**

Join Nellie, Gus, baby Jake, and their parents at Funland as they go on rides, watch performers, and play games along with many other children and grown-ups. As they enjoy their excursion, they — and young readers — notice that people are the same as one another in lots of ways, and different in lots of ways too. Accessible, humorous, family-filled illustrations; conversations between Gus and Nellie; and straightforward text come together to help children realize why it's important to treat others the way they want to be treated and the way *you* want to be treated — whether a person is a lot like you or different from you, a good friend or someone you have just met or seen for the first time.
