This general doesn't play fair... Leiya has a secret. Trouble is, even she doesn't know it. One of the most promising singers Briolina has to offer, no one could know that the bright star is actually a human, a Terran. But when the most dangerous Brion in the universe marks her as his own, Leiya has more than hidden secrets to worry about. She thought she was ready for the love of her life, but the general is far more than she could have been prepared for! Faren's not a simple man. Seemingly devoid of emotions, rational to a fault, he is a monster on the battlegrounds and his reputation far preceeds him. But after losing his brother, the only demon who could match him, Faren is lost. When the binding hits him like a spear to the chest, making him recognize the innocent, pacifist Leiya as his true mate, he finally has a purpose again. A goal. Her safety, her heart, and her body. He will have her, the right way, even if it kills him and everyone around him. Nothing could stop the Monster of Briolina. But it seems like the whole universe is going to try like hell.
