## **But Anyway . . . A Life Well Lived** Otto R. Vasak

Few people have led such interesting lives, and even fewer have lived long enough to tell about their many experiences. The author of these "memories," Otto Vasak, once de-scribed his father as a "man of integrity," a phrase which even more so applies to him. Many times he was faced, like us all, with a Y in the road. Yet he never regrets the paths not taken, and, as you will read, vigorously takes on the challenges that life offered along the way. Otto learned to experience each present moment of his life to the fullest-- no matter where he is or what he is doing -- and excelled in the many roles he performed, whether as a student, sportsman, officer, father, chemical engineer, musician, civic lead-er, world traveler, or fisherman/environmentalist. These short, colorful vignettes are a window into his world . . . and "a life well lived."
