Earth's Earliest Ages - And Their Connection with Modern Spiritualism, Theosophy and Buddhism G. H. Pember

The author discusses some of the problems of faith in creation, particularly the existence of death, suffering, and sin upon the earth prior to creation of man and his fall. The second coming of the Lord Jesus and the heading up of error and false doctrines are ably presented. The author finds in Spiritualism, Theosophy, and Buddhism one kindred thrust: to set aside the salvation of the Lord Jesus, to substitute a doctrine that sin must be gradually worn away by our own works or sufferings, either in a spirit world or in a series of reincarnations upon earth.
