The Protestant Ethic and the Spirit of Capitalism Max Weber

First published in 1905, *The Protestant Ethic and the Spirit of Capitalism* is listed by the International Sociological Association as the fourth most important book of the XX century. In this milestone of economical philosophy, Max Weber illustrates how Calvinist work ethic played a key role for the development of capitalism in Northern Europe through the engagement in trade and economic enterprise and the accumulation of wealth by a large portion of the population.
