Ivy Thompson. Rock goddess. Notorious for leaving a string of broken hearts behind her tour bus.

Jessica always looked down on those brokenhearted girls. Silly groupies who loved a terrible band. She'd never do something crazy like that.

Until she did.

It was all a big accident. Jessica was dragged to their concert against her will. She had no idea the sexy girl she met before the concert was Ivy, and by the time she realized who Ivy really was it was too late.

She was in too deep.

Gorgeous. Smart. Sexy. Yeah, Ivy Thompson was the last thing Jessica needed in her life until she was the only thing she needed in her life. But can the reformed rock star and the accidental groupie, women from two very different worlds, get over those differences long enough to find true love?
