**Build Your Success From The Ground-Up: 12 keys to getting all you can out of all you've got left** Mr. Kelvin Troy Johnson

What would you do if the love of your life left you? What if one morning you went into the office, only to discover there was a box and a pink termination slip waiting? What if your business partner or your biggest life-line client decided to take their business elsewhere, overnight? Any such event would be crushing to say the least. Feelings of sadness, anger, frustration and depression would be a natural and understandable response to such devastating turn of events..unless you had a strategy, or what is referred to as a Ground-Up Thinking Strategy. This book is full of examples, stories, historical facts and personal stories of people like you who have either started with nothing or somehow found themselves starting over. They were able to build a successful life, using all that they had left. In addition, this book is full of techniques used by Counselors, Therapists and Life Coaches that are tested and help people to find the joy and peace they've always wanted. In this success manual you'll discover:

- How to truly discover your purpose
- Why we do, what we do (and how to change it)
- How to overcome opposition and win
- How to learn to love failure, and make fear your friend
- Why you must fail in order to succeed
- How to properly set goals that will bring you the biggest success of your life
- How to use Ground-Up Thinking Strategies to improve your life
- The mindset of a winner and how to maintain it daily
- How to get what you want..period
- The three obstacles that separate you from your greatness and how to break out
- How to recognize and cease the right opportunities for you
- How to stick to your commitments, particularly commitments to yourself ...and much more

After each chapter, there is a place to write down what actions you will take and apply immediately for optimum success. The impact of this book is designed to follow in the footsteps of such classics as: Napoleon Hill's Think and Grow Rich, Robert Schuller's Possibility Thinking, and Normal Vincent Peale's The Power of Positive Thinking. It's time for you to Build Your Success From The Ground-Up.
