Richard Raley

King Henry and the Three Little Trips (The King Henry Tapes) Richard Raley

What started life as a small "vacation" project for Richard Raley became something more in the writing. Telling three interconnected stories taking place on the same day, two weeks after events in "The Foul Mouth and the Mancy Martial Artist" this novel is a can't miss for fans of THE KING HENRY TAPES. Spending equal time with Tyson Bonnie, Eva Reti, and King Henry Price himself, KING HENRY AND THE THREE LITTLE TRIPS shows the fallout from the Days of Supernatural Exhibit in both the personal cost for our characters and the political cost for supernatural organizations worldwide as fear of the Curator spreads to even the Asylum itself.

Read as Tyson Bonnie escorts Vicky Welf to the Coyote Nation compound, find out if Eva Reti can survive the anima experiment inflicted upon her, and follow King Henry as he returns to the Asylum seeking Plutarch's help.

The queue for the "Foul Mouth and the Artificial Court" roller-coaster begins here!
