Pillow Princess for the Lesbian Alien Cynthia Mendoza

For some time, Rebecca has enjoyed a position as a flight attendant on one of the most luxurious new commercial spaceships...and the affair with the ship's captain that came along with it. It was everything she could possibly want. But after a humiliating discovery, she wants nothing more than to escape...and leave men totally behind.

Her best friend gives her the opportunity of a lifetime - a temporary position on an intergalactic trade flight that will take her to a gorgeously luxurious resort, far away from the captain and the dilemma she's facing at her job. There, she meets Lilia, a gorgeous humanoid woman who makes her suddenly fantasize about things she's never even considered before. She isn't sure what to make of the feelings, but Lilia is intent on getting to know her better...in more ways than one. It looks as though Rebecca might get to explore more than just a new job opportunity...if she's willing to try.
