The Best of All Possible Worlds Elmast Silvercloak

Eden, with its glittering buildings and shimmering facade, is a Magical utopia ruled by wizards. However, beneath the surface lies a darker society, one where non-Magic users struggle to survive. A beneficiary of the system, Griffith Dragonspear, is the top student in the elite Academy of Magic, and seems to have it all – wealth, popularity and good grades. But a necromantic cult begins to kidnap people in the slums for their vile experiments. This sets off a chain of events that shatters Griffith's utopia and forces him to undergo a painful journey of self-discovery. Can Griffith gain the trust and support of the inhabitants of the slums to stop the evil cult and bring about a new dawn for Eden?
