The Essene Book of Asha: Journey to the Cosmic Ocean Edmond Bordeaux Szekely

In the Game of Asha, with its drama of light and darkness, the interplay of forces of light and darkness, the interplay of forces of good and evil, we experience the power of the Avestic tradition. In the Essene Tree of Life, with the branches of man reaching toward the Heavenly Father, and the roots of man sunk deep into the Earthly Mother, the symbolism of the Biblical Patriarchs is revealed. Both the Game of Asha and the Essene Tree of Life are reflections of the same truth: in his quest for perfection, man is always guided by the visible forces of nature, and invisible forces of the cosmos.
