The Trainer's Journey to Competence: Tools, Assessments, and Models Jean Barbazette

The Trainer's Journey to Competence draws on Jean Barbazette's thirty-five years of experience in training trainers. The book serves as both a useful source of career advice for those in the training field, and as a starting point for creating a role-specific professional development plan. Professional trainers can use this resource to assess their knowledge, skills, and attitudes and use this information to create an individual development plan. The book can be equally helpful when creating internal training certification programs for organizations.
